

# NFFPC Intro to Unmanned Aerial Systems

## *Virtual Training Schedule*

### Organizational Considerations of UAS

Tuesday 3/16/2021

9:00-10:00 AM (EST)

[Meeting link](#)

Call in: [+1 802-489-6040](tel:+18024896040), [13825426#](tel:+13825426) (Phone Conference ID: 138 254 26#)

This virtual training session will focus on the foundations of a strong UAS program including, but not limited to policies, procedures, leadership, and support. Organizational strengths and limitations of successful UAS programs will also be discussed.

### Regulations & Risk Management

Wednesday 3/17/2021

9:00-10:00 AM (EST)

[Meeting link](#)

Call in: [+1 802-489-6040](tel:+18024896040), [875386116#](tel:+1875386116) (Phone Conference ID: 875 383 116#)

This lecture will cover risk assessment and mitigation techniques, hazard identification, airspace integration, and UAS traffic management. Additional content will include developing a safety management system, FAA regulations, mission and flight checklists, and public engagement and outreach.

### Getting Started With Part 107

Thursday 3/18/2021

9:00-10:00 AM (EST)

[Meeting link](#)

Call in: [+1 802-489-6040](tel:+18024896040), [112078147#](tel:+1112078147) (Phone Conference ID: 112 078 147#)

This session will focus on FAA Part 107 regulations, including introducing study materials and other key topics that may be useful in preparing to take the Part 107 license exam.

### Disaster Response Coordination

Friday 3/19/2021

9:00-10:00 AM (EST)

[Meeting link](#)

Call in: [+1 802-489-6040](tel:+18024896040), [324021723#](tel:+1324021723) (Phone Conference ID: 324 021 723#)

This session will focus on integration and adoption of UAS for disaster response. Feedback from this session will be directed to the FAA via a Congressionally-mandated research project – this will assist the FAA in how to best allow and encourage the safe deployment of UAS during fires and other disasters.
